| Evaluate case for settlement/ADR on   | 1/28/22  | 2/25/22 |

The parties agree that an extension would be appropriate in order to accommodate the necessary discovery. In addition, the Motion is based on mutual agreement of the parties and is made well in advance of the current January 18, 2022, fact discovery deadline. *See, e.g., Slocum v. Fowler*, No. 216CV02169JADCWH, 2018 WL 4468998, at \*4 (D. Nev. Sept. 18, 2018) (concluding that the movant had “demonstrated diligence in seeking to extend the discovery deadline” by filing its motion prior to the relevant deadline). The parties have agreed that this stipulation does not limit the ability of either party to seek an additional extension of deadlines or to oppose an additional extension.

Accordingly, the parties request that the discovery deadlines in this case be extended as described above.

DATED: October 28, 2021.
